IMPORTANT NOTICES REGARDING BASIS OF PRESENTATION AND DISCLAIMERS

BASIS OF PRESENTATION: This presentation is based on information generally believed to be reliable and is presented without any liability whatsoever to Pacific Mutual Holding Company or any of its subsidiaries, affiliates or related entities (collectively, the "Company") or their respective directors or officers, and is not intended to constitute legal, tax, investment or accounting advice or opinion. The Company makes no representation or warranty, expressed or implied, as to the accuracy, completeness or thoroughness of the contents of the information, and the Company disclaims any responsibility for any errors or omissions in such information, including any financial calculations, projections and forecasts. If any information contained in these slides has been obtained or compiled from outside sources, such information has not been independently verified by the Company. This presentation has been prepared solely for informational purposes, and is not an offer or a solicitation to buy, sell, or transact in any investment including any products or services; or an invitation, offer or solicitation to engage in any investment activity. It may not serve as the basis for any investment decision made by you or on your behalf. It is strongly recommended that you seek professional investment advice before making any investment decision.

A portion of this presentation describes funding agreements issued by Pacific Life Insurance Company ("Pacific Life") in connection with Pacific Life Global Funding II's global debt issuance program. This information is presented solely to detail a funding source employed by Pacific Life and does not constitute an offer to sell, or a solicitation to buy, any securities. The notes issued pursuant to the global debt issuance program have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any applicable state or foreign securities laws.

The notes may be offered only:

- By the Offering Memorandum, dated March 22, 2022, as supplemented from time to time;
- In the United States to "Qualified Institutional Buyers", as defined in Rule 144A under the Securities Act; and
- In "Offshore Transactions" to persons other than "U.S. Persons", each as defined in Regulation S under the Securities Act.

RBC INFORMATION: Pacific Life Insurance Company is required to report risk-based capital ("RBC") data, including its company action level RBC ratio ("RBC Ratio"), to the Nebraska Department of Insurance ("NE DOI") annually. The RBC Ratio is calculated based on a formula which applies factors to various asset, premium and statutory reserve items and accounts for risk characteristics of the insurer. NE DOI uses RBC data as a regulatory tool to identify possible inadequately capitalized insurers for purposes of initiating regulatory action and not as a means to rank insurers generally. Nebraska law imposes broad confidentiality restrictions against the use and publication of RBC data by those engaged in the insurance business (including insurers, agents, brokers and others) and by the NE DOI. Inclusion of Pacific Life Insurance Company's RBC Ratio in this presentation is intended solely for informational purposes for investors, prospective investors, banking and other counterparties with respect to institutional products and other commercial transactions and not for the use or disclosure by those engaged in the insurance business.

FORWARD-LOOKING STATEMENTS: This presentation contains forward-looking statements that are intended to enhance your ability to assess the Company's future financial and business performance. These statements are based on the beliefs and assumptions of the Company's management, and are subject to risks and uncertainties. Generally, statements that are not about historical facts, including statements concerning the Company's possible or assumed future actions or results of operations, are forward-looking statements. Forward-looking statements include, but are not limited to, statements that represent the Company's beliefs concerning future operations, strategies, financial results or other developments, and contain words and phrases such as "may," "believes," "intends," "anticipates," "estimates," "expects," "projects," "should" or similar expressions.

Forward-looking statements are made based on management's current expectations and beliefs concerning future developments and their potential effects upon the Company. There can be no assurance that future developments affecting the Company will be those anticipated by management and the Company makes no representation or warranty that any projection, calculation, forward-looking statement, assumption or estimate will be achieved. Actual results could differ materially from the expectations expressed by the forward-looking statements.

The Company does not intend, and is under no obligation, to update any particular forward-looking statement or other information included in this presentation.

ESG & Sustainable Bond Framework

Pacific Life's Principles for Responsible Investing

Our mission is to deliver superior risk-adjusted investments that provide flexible, scalable, and value-added solutions to our clients. We strive to generate sustainable, long-term returns in a balanced, responsible manner. With this in mind, we acknowledge the evolving materiality of environmental, social, and governance factors (ESG) and are increasingly integrating them into our investment decision making. Investing responsibly ties to Pacific Life's Core Values of Accountability for our actions, Integrity to do the right thing, and making a positive impact on our Community.

As a long-term investor, we note that the success of our investments will increasingly be tied to the degree to which they reflect ESG principles. Future profitability, asset values, and creditworthiness are optimized by acting responsibly. We recognize that the integration of ESG principles into our investment processes leads to more informed investment decisions. By doing so, we should ultimately experience higher sustainable portfolio returns in line with our responsibilities to our employees, policyowners, community, and other stakeholders.

Pacific Life Corporate Social Responsibility

Pacific Life is committed to creating a meaningful future for our stakeholders. This extends beyond the current generation, which is why our corporate social responsibility initiatives create lasting, positive impact for our people, our communities, our customers, and our environment.

People

Our mission to help clients achieve financial security can only be accomplished if we have a great culture that attracts top talent who feel engaged and supported at work.

Communities

We are all stronger when the communities in which we live, and work thrive. Pacific Life has a long history of building better communities through investments in low-income housing, volunteerism, disaster relief, and programs to support underserved and underrepresented individuals.

Customers

Our strong ethics, investment, and privacy programs represent our commitment to the highest standards and help ensure we're able to meet the promises we make to our policyholders. Our investment options within our product portfolios provide choice and flexibility, including investment funds focused on ESG principles.

Environment

In our more than 150-year history, Pacific Life has never been more committed to having a positive impact on our environment. Today, we are working to protect oceans, reduce our environmental footprint, and identify investment opportunities that create a positive impact for the planet.
