

# Direct Purchases of Pacific Funds<sup>sm</sup> Disclosure Regarding Business Continuity

---

As the broker/dealer of record for direct purchases of Pacific Funds (the "Fund"), Pacific Select Distributors, LLC (PSD) is providing disclosure regarding its business continuity plan (BCP). Although PSD acts as the broker/dealer of record for direct purchases of shares of the Fund, shareholder servicing for the Fund is processed through BNY Mellon Investment Servicing (US) Inc. (BNY), the Fund's transfer agent. PSD does maintain a general BCP in conjunction with Pacific Life Insurance Company, the parent company of PSD.

However, in the event of a disaster affecting PSD, whether mild or severe, the Fund's shareholders would continue to be serviced by and have access to their Fund accounts through BNY. BNY is located on the East Coast and has its own BCP in place that provides for the continuation of its operations in the event of significant business interruption.

If it is necessary to contact Pacific Funds in the event of a disaster, shareholders should continue to call (800) 722-2333, Option 2 for customer service, unless directed otherwise.
