E. 72(t)/72(q) Payments

Check box if preauthorized withdrawal is establishing or continuing a series of substantially equal periodic payments under IRC72(t) or 72(q) not calculated by Pacific Life. If you elect 72(t) or 72(q) payments, you bear the risk of any modification made and your source funds depleting (causing your payments to cease). Modifications may subject the series of 72(t) or 72(q) withdrawals to a retroactive 10% additional tax and may occur if additional purchase payments to or withdrawals from the contract are made or 72(t)/72(q) withdrawals are increased, decreased, or stopped. Exceptions continue to apply in the case of a rollover of the contract, an exchange of an annuity providing the payments, or an annuity that satisfies the required minimum distribution rules. You are fully responsible for all resulting tax consequences. 72(t)/72(q) payments will not be taken from GIOs.

INCOME TAX WITHHOLDING – To avoid default tax withholding, complete this section.

Federal Income Tax Withholding: For Non-Qualified and IRA contracts, we withhold a minimum federal amount of 10% (For TSA/403(b) we will withhold 20% where you take receipt of funds and 10% for substantially equal period payments. If you have a 401a, 401k, Keogh or custodial-owned contract, taxes cannot be withheld.) or you can elect to not have us withhold taxes. To withhold a federal amount other than 10%, you must submit the current year version IRS Form W-4R with this request. You can obtain a Form W-4R by visiting the IRS website at www.irs.gov or Pacific Life's website at www.PacificLife.com. If a W-4R is not submitted, less than 10% federal election is requested, or no election is made below, the withdrawal will be processed with 10% withholding.

State Income Tax Withholding: Pacific Life is required to withhold at the minimum rate required (which may be 0%) by your state of residence. Some states may require you to use specific state forms. A State Tax Withholding Guide can be found on the Pacific Life website at www.mypacificlifeannuity.com/statetax.

ALTERNATE DELIVERY/PAYEE INSTRUCTIONS Unless indicated below, the check will always be made payable to the contract owners and sent to the primary owner's address of record. Only complete this section if check is to be made payable to an alternate payee or if the check should be mailed to an alternate address for the primary owner. Acceptable third-party payees include financial institutions, trusts, and charities. NOTE: Individual third-party payees are not allowed. The owner's original signature is required for a check being mailed to an alternate address, or to a third-party payee (not applicable for checks payable to financial institutions for benefit of the owner). If distribution is to be treated as a qualified direct transfer, indicate the plan type and account number for the accepting institution. Qualified direct transfers can be set up for one-time withdrawal (partial or full) and scheduled withdrawals. For qualified direct rollovers, a Letter of Acceptance from the accepting financial institution will be required; please call the appropriate toll-free service number for Pacific Life provided on this form for additional information regarding the Letter of Acceptance. For qualified direct transfers and rollovers, once you reach RMD age, the entire amount of the RMD must be distributed prior to any direct transfer/rollover. C. Employee Self-Certification

If your contract is exempt from the final 403(b) regulations, your employer does not have to approve this withdrawal/distribution request. If your contract is not exempt, your employer that sponsored this 403(b)/TSA contract MUST approve the transaction.

My contract is exempt from the final 403(b) regulations due to the following reason(s): (Select all that apply)

I did not make any salary deferral contributions to this contract after December 31, 2004.

- My contract was issued with a 90-24 transfer initiated prior to September 25, 2007 and no additional contributions have been made.
- My employer that sponsored this contract no longer exists (i.e., out of business).

11 SIGNATURE(S) AND CERTIFICATION

Certain states require Financial Professionals to ensure that recommendations to you (including surrenders or withdrawals) are in your best interest and to determine that related standards are met. If this transaction was not recommended, such a determination would not be required by your Financial Professional.

If I am requesting a full surrender, I affirm that the original contract has been lost or destroyed. To the best of my knowledge, no one else has any rights, title, or interest in the contract and it has not been assigned, pledged or encumbered.

I understand that any distributions from my contract may be subject to withdrawal charges (and for RILA product, Market Value Adjustment). I also acknowledge that withdrawals containing a taxable amount may be subject to federal and state income taxes, and if taken prior to age 59½, a 10% IRS additional tax may apply.

I agree to return all funds withdrawn if I exercise my right to cancel the contract within the free-look period.

I understand that withdrawals may reduce any death benefit.

If distributions other than qualified transfers are made from an IRA or qualified plan, I understand that they will be subject to income tax, and if taken prior to age 59½, a 10% additional tax may apply. I further understand that withdrawals from the qualified plan may be restricted by the plan document, information sharing agreement, or IRS and I should consult my Financial Professional.

If there is an active 72(t) or 72(q) preauthorized withdrawal program, I understand that any additional one-time distributions may subject all prior and succeeding distributions to the 10% additional tax. If I elect 72(t) or 72(q) payments, I bear the risk of any modification made and my source funds depleting (causing my payments to cease). Modifications may subject the series of 72(t) or 72(q) withdrawals to a 10% additional tax and may occur if **withdrawals from** the contract are made or 72(t)/72(q) withdrawals are increased, decreased, or stopped. I am fully responsible for all resulting tax consequences.

I understand that current tax law only permits one rollover distribution for all of my IRAs every 12 months. For purposes of this one-rolloverper-year limitation, all IRAs, including Roth, SIMPLE, and SEP IRA are aggregated, such that a rollover involving any one of them precludes a rollover involving any other account (except qualified plans) within the next year.

If I have elected a withdrawal due to disability, I certify that I am disabled and have provided a Disability Certification form from my physician stating that I am disabled according to the definition under IRC Section 72(m)(7). If I have elected a scheduled withdrawal, it is my responsibility to notify Pacific Life in the event that my condition no longer meets the definition of "disabled" according to IRC Section 72(m)(7).

If I have requested a withdrawal from a TSA/403(b) contract, I confirm that there is an information sharing agreement in place with Pacific Life and that Pacific Life may share information with my employer regarding activity on my contract.

If any withdrawal reduces the contract value to an amount less than the required minimum value as stated in the contract, Pacific Life may terminate the contract and pay the full withdrawal value. Payment of the full withdrawal value will end the contract and Pacific Life will have no further obligations under the contract.

1 SIGNATURE(S) AND CERTIFICATION (continued)

For Registered Index Linked Annuities (RILA) Products: Withdrawals from an Index-Linked Option ("ILO") during the Term will reduce your Investment Base in the ILO in the same proportion that the Interim Value is reduced (rather than on a dollar-for-dollar basis) and will proportionately reduce the death benefit. Such reduction will reduce your Investment Base for the remainder of the Term, and the proportionate reduction may be greater than the dollar amount of the withdrawal. All withdrawals will reduce your Contract Value, and withdrawals from an ILO before the end of a Term could also significantly reduce any interest credited at the end of the Term. Any withdrawal or surrender taken before the end of the Term could result in a greater loss or lower gain than the ILO would provide at the end of the Term. The Crediting Strategy or Protection Level are not applied until the end of the Term. Additional details regarding the calculation of the Interim Value can be found in the product prospectus.

For RILA Products with a GMWB Rider: Early withdrawals are withdrawals that are taken prior to the Income Commencement Date and include RMDs. Early withdrawals will cause a recalculation of the Protected Payment Base. Early withdrawals that reduce the contract to zero will terminate the rider.

(For New York) Contracts with a Guaranteed Minimum Withdrawal Benefit (GMWB) rider: Withdrawals in excess of the annual protected payment amount, called "excess withdrawals", will result in a permanent reduction in future guaranteed withdrawal amounts. Pre-Authorized withdrawals, or other withdrawals made while Pre-Authorized withdrawals are active on your contract, may also result in an excess withdrawal. If you are uncertain how an excess withdrawal will reduce or may have reduced your future guaranteed withdrawal amounts, then you may contact Pacific Life to obtain a personalized, transaction-specific calculation showing the effect of an excess withdrawal. If your request is received prior to an excess withdrawal, the calculation will be based on the contract value as of the close of business on the day immediately preceding the day Pacific Life receives your request for the calculation. Actual future guaranteed withdrawal is processed. If your request is received following an excess withdrawal, the calculation will show the actual effect of the excess withdrawal.

I agree that if I am providing this form to Pacific Life by email, it is as valid as the original. I also understand that an original signature is required for withdrawal amounts greater than \$250,000 (gross), if the check is payable to the contract owner(s) and mailed to an alternate address, or if an address change has occurred within the last 30 days.
